

Tags for Teddies

We need your help to create some fantastic gift tags for our lovely knitted teddies. We can then send them to Africa where they will be gifted to a child and given a home.

Using the step-by-step guide below can you make a lovely tag and send them to Inter Care?

Step 1

The tag needs to hang nicely around the teddy's neck. So that it does not weigh down the little teddy, make sure your tag is about 10cm x 5cm. Here is a template:

Step 2

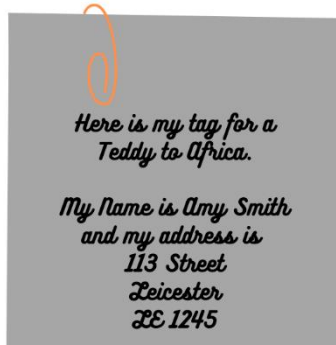

Now you can decorate your tag! Make it nice and colourful and don't forget to include your teddy's name.

Step 3

Add a string to your tag and pop it into an envelope and send to Inter Care. Please include your name and address so we can thank you!

If you like, you can include a little message or card for the child and their present.

Step 4

When Inter Care receive your tag, we will stamp it with a special message and pop it around the neck of a teddy and send it to Africa. You will receive a photo of your teddy and letter from us.

Our address: Inter Care Ltd, 46 The Half Croft, Syston, Leicestershire LE7 1LD

THANKYOU
